

This 202-acre park has paved and dirt trails for hiking, bicycling and horseback riding. Picnic tables and BBQ's, as well as an off leash dog park, are available at the Highway 12 trail head. The park area serves as a unique natural corridor for wildlife to travel safely between Sonoma Mountain and the Mayacamas Mountain Range. Outstanding oak woodlands along with beautiful wildflower displays can be found throughout the park.

Bring your dog to exercise, play and socialize with other dogs at the Elizabeth Perrone Dog Park. This fully fenced area features a double-gated entry, a drinking fountain for dogs, and a gazebo for shade. While outside the dog park, all dogs must be on a leash at all times. A number of endemic species are found within the park. In addition to showing courtesy to other park users, keeping dogs on leash will help ensure minimal degradation of these unique habitats.

Get a park pass and save money on the daily use fee for each vehicle. 100% of the purchase price goes back to Regional Parks to help us protect these beautiful parks for generations to come. Information about a park pass can be found at sonoma-county.org/parks or call 707-565-2041.
